

# Mingkai Li

Incoming Ph.D. Student at Columbia University  
mingkai.li@columbia.edu | [mingkai-li.github.io](https://mingkai-li.github.io)

## Research Interest

---

System security, Computer architecture

## Education

---

**University of Science and Technology of China**

2019 – 2023

B.Eng., Computer Science and Technology

Hefei, China

**Chengdu No.7 High School**

2016 – 2019

## Employment

---

**National University of Singapore**

Jan 2023 – May 2024

Research Intern, School of Computing, Mentor: [Prateek Saxena](#)

## Publications

---

ESEC/FSE 2023

**TransMap: Pinpointing Mistakes in Neural Code Translation.**

Bo Wang, Ruishi Li, **Mingkai Li**, Prateek Saxena.

*The ACM Joint European Software Engineering Conference and Symposium on the Foundations of Software Engineering, 2023*
